

**Springman Middle School**  
**Glenview CCSD 34**  
**Glenview, ILLINOIS**

**ILLINOIS**  
**SCHOOL**  
**REPORT**  
**CARD**

**GRADES : 6 7 8**

State and federal laws require public school districts to release report cards to the public each year.

Starting in 2009, charter school information is included in district statistics.

**STUDENTS**

RACIAL/ETHNIC BACKGROUND AND OTHER INFORMATION													
	White	Black	Hispanic	Asian/ Pacific Islander	Native American	Multi racial /Ethnic	Low- Income Rate	Limited- English- Proficient Rate	High Sch. Dropout Rate	Chronic Truancy Rate	Mobility Rate	Attendance Rate	Total Enrollment
<b>School</b>	73.0	1.1	9.0	14.3	0.3	2.2	15.6	6.5		0.0	2.6	95.6	697
<b>District</b>	71.6	1.4	11.3	12.3	0.0	3.4	15.3	13.8		0.0	5.1	95.5	4,440
<b>State</b>	53.3	19.1	20.8	4.1	0.2	2.5	42.9	8.0		3.7	13.5	93.7	2,070,125

**Low-income** students come from families receiving public aid; live in institutions for neglected or delinquent children; are supported in foster homes with public funds; or are eligible to receive free or reduced-price lunches.

**Limited-English-proficient** students are those students eligible for transitional bilingual programs.

**Mobility rate** is based on the number of times students enroll in or leave a school during the school year.

**Chronic truants** are students who are absent from school without valid cause for 18 or more of the last 180 school days.

**INSTRUCTIONAL SETTING**

PARENTAL CONTACT*		STUDENT-TO-STAFF RATIOS			
	Percent	Pupil- Teacher Elementary	Pupil- Teacher Secondary	Pupil- Certified Staff	Pupil- Administrator
<b>School</b>	100.0	--	--	--	--

				Site & Construction/ Capital Improvement	\$7,597,005	12.4	6.8
				TOTAL	\$61,357,609		

OTHER FINANCIAL INDICATORS				
	2006 Equalized Assessed Valuation per Pupil	2006 Total School Tax Rate per \$100	2007-08 Instructional Expenditure per Pupil	2007-08 Operating Expenditure per Pupil
District	\$443,566	2.33	\$7,005	\$12,220
State	**	**	\$6,103	\$10,417

\*\* Due to the way Illinois school districts are configured, state averages for equalized assessed valuation per pupil and total school tax rate per \$100 are not provided.  
**Equalized assessed valuation** includes all computed property values upon which a district's local tax rate is calculated.  
**Total school tax rate** is a district's total tax rate as it appears on local property tax bills.  
**Instructional expenditure per pupil** includes the direct costs of teaching pupils or the interaction between teachers and pupils.  
**Operating expenditure per pupil** includes the gross operating cost of a school district excluding summer school, adult education, bond principal retired, and capital expenditures.

## ACADEMIC PERFORMANCE

### OVERALL STUDENT PERFORMANCE

These charts present the overall percentages of state test scores categorized as meeting or exceeding the Illinois Learning Standards for your school, district, and the state. They represent your school's performance in reading, mathematics, and science.

The 2007-08 school year was the first time that Limited English Proficient (LEP) students took the ISAT or PSAE (with accommodations) instead of the IMAGE test. Therefore, any comparisons with prior year's achievement levels for LEP students should be made with appropriate caution.

**OVERALL ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT) PERFORMANCE**

**ISAT PERFORMANCE**

These charts provide information on attainment of the Illinois Learning Standards. They show the percents of student scores meeting or exceeding Standards for the grades and subjects tested on ISAT.

## PERFORMANCE ON STATE ASSESSMENTS

Federal law requires that student achievement results for reading, mathematics, and science for schools providing Title I services be reported to the general public.

The Illinois Standards Achievement Test (ISAT) is administered to students in grades 3 through 8. The Prairie State Achievement Examination (PSAE) is administered to students in grade 11. The Illinois Alternate Assessment (IAA) is administered to students with disabilities whose Individualized Education Programs (IEPs) indicate that participation in the ISAT or PSAE would not be appropriate.

Students with disabilities have an IEP (No Child Left Behind Act). An IEP is a written plan for a child with a disability who is eligible to receive special education services under the Individuals with Disabilities Education Act.

Reading and Mathematics are tested in grades 3 through 8 and 11. Science is tested in grades 4, 7, and 11.

In order to protect students' identities, test data for groups of fewer than ten students are not reported.

PERCENTAGE OF STUDENTS NOT TESTED IN STATE TESTING PROGRAMS FOR READING AND MATHEMATICS

**ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT)**

The following tables show the percentages of student scores in each of four performance levels. These levels were established with the help of Illinois educators who teach the grade levels and learning areas tested. Due to rounding, the sum of the percentages in the four performance levels may not always equal 100.

Level 1 -- Academic Warning - Student work demonstrates limited knowledge and skills in the subject. Because of major gaps in learning, students apply knowledge and skills ineffectively.

Level 2 -- Below Standards - Student work demonstrates basic knowledge and skills in the subject. However, because of gaps in learning, students apply knowledge and skills in limited ways.

Level 3 -- Meets Standards - Student work demonstrates proficient knowledge and skills in the subject. Students effectively apply knowledge and skills to solve problems.

Level 4 -- Exceeds Standards - Student work demonstrates advanced knowledge and skills in the subject. Students creatively apply knowledge and skills to solve problems and evaluate the results.

## 2009 ADEQUATE YEARLY PROGRESS (AYP) Status Report

Is this school making Adequate Yearly Progress (AYP)?	Yes	Has this school been identified for School Improvement according to the AYP specifications of the federal No Child Left Behind Act?	No
Is this school making AYP in Reading?	Yes	2009-10 Federal Improvement Status	
Is this school making AYP in Mathematics?	Yes	2009-10 State Improvement Status	

	Percent Tested on State Tests				Percent Meeting/Exceeding Standards *						Other Indicators			
	Reading		Mathematics		Reading			Mathematics			Attendance Rate		Graduation Rate	
	%	Met AYP	%	Met AYP	%	Safe Harbor Target **	Met AYP	%	Safe Harbor Target **	Met AYP	%	Met AYP	%	Met AYP
<b>State AYP Minimum Target</b>	95.0		95.0		70.0			70.0			90.0		78.0	
<b>All</b>	100.0	Yes	100.0	Yes	92.7		Yes	93.8		Yes	95.6	Yes

<b>Economically Disadvantaged</b>	100.0	Yes	100.0	Yes	70.1		Yes	77.3		Yes				

**Four Conditions Are Required For Making Adequate Yearly Progress (AYP):**

1. At least 95% tested in reading and mathematics for every student group. If the current year participation rate is less than 95%, this condition may be met if the average of the current and preceding year rates is at least 95%, or if the average of the current and two preceding years is at least 95%. Only actual participation rates are printed. If the participation rate printed is less than 95% and yet this school makes AYP, it means that the 95% condition was met by averaging.
2. At least 70.0% meeting/exceeding standards in reading and mathematics for every group. For any group with less than 70.0% meeting/exceeding standards, a 95% confidence interval was applied. Subgroups may meet this condition through Safe Harbor provisions. \*\*\*
3. For schools not making AYP solely because the IEP group fails to have 70.0% meeting/exceeding standards, 14% may be added to this variable in accordance with the federal 2% flexibility provision.
4. At least 90% attendance rate for non-high schools and at least 78% graduation rate for high schools.

\* Includes only students enrolled as of 05/01/2008.

\*\* Safe Harbor Targets of 70.0% or above are not printed.

\*\*\* Subgroups with fewer than 45 students are not reported. Safe Harbor only applies to subgroups of 45 or more. In order for Safe Harbor to apply, a subgroup must decrease by 10% the percentage of scores that did not meet state standards from the previous year plus meet the other indicators (attendance rate for non-high schools and graduation rate for high schools) for the subgroup. For subgroups that do not meet their Safe Harbor Targets, a 75% confidence interval is applied. Safe Harbor allows schools an alternate method to meet subgroup minimum targets on achievement.

# Springman Middle School Report Card 2009-10

## Executive Summary

Springman Middle School is a progressive middle school of 270 6<sup>th</sup> graders, 236 7<sup>th</sup> graders, and 235 8<sup>th</sup> graders (741 total). There are six multi-disciplinary teams: two 8<sup>th</sup> grade teams, two 7<sup>th</sup> grade teams, and two 6<sup>th</sup> grade teams. The student population on each team is a microcosm of the entire school population. The school's population is diverse (socio-economic, ELL population, special services population gifted/enrichment population, etc.), receiving students from three intermediate schools. Thus, Springman must meet the full continuum of needs and abilities. The teachers on these teams who teach in the block are specialists in the following areas: math, science, language arts-reading, language arts-writing, social studies, special services (ELL or Special Education). All students study a global language (French or Spanish), unless exempted by an IEP, and have daily PE classes. The teachers for these "A" block classes are members of the teams and specialists in their subject areas. The Fine Arts are taught in the following grades: Art, Drama, Music – one trimester each in 6<sup>th</sup> grade, Art and Drama – one trimester each in 7<sup>th</sup> grade, and General Music – one trimester in 8<sup>th</sup> grade. The Fine Arts teachers provide instruction in the flexible block in 7<sup>th</sup> and 8<sup>th</sup> grade. In 6<sup>th</sup> grade, the Fine Arts are taught in the "A" block on an alternating day schedule with Global Language. The building also provides an NSSED program for students with more significant special needs (currently 7 students total). In addition to receiving direct instruction from the NSSED teacher, these students are members of one of the grade-level teams and participate in team and building activities. Our staff is composed of teachers with an average of 10.4% years teaching experience with 76.8% having a master's degree.

The trend of overall RIT performance shows positive student achievement in Reading, Math, and Language Usage at every grade level. Further examination of student achievement data though, reveals that the number of students meeting their growth targets is not at a level commensurate with our students' abilities. This plan looks to raise the number of students meeting or exceeding their growth targets in math and reading. In addition to these achievement goals we will look to improve our climate for learning by increasing our understanding of best practices relative to homework and improving our home-school communication. Both of these goals build from similar goals during the previous school year (2008-09).

**2009-10 Goal #1:** The percentage of students meeting or exceeding their expected growth in reading, during the 2009-2010 school year, as measured by the NWEA Reading Test, administered in April 2010, will increase by 5%. Last year, 46.6% of 6<sup>th</sup> graders and 63% of 7<sup>th</sup> graders and 56.7% of 8<sup>th</sup> graders met or exceeded their growth targets. Our targets then for this school year are: 51.6% of 6<sup>th</sup> graders, 68% of 7<sup>th</sup> graders and 61.7% of 8<sup>th</sup> graders will meet or exceed their Fall to Spring growth targets in reading.

**2009-10 Goal #2:** The percentage of 7<sup>th</sup> grade students meeting or exceeding their expected growth in mathematics, during the 2009-2010 school year, as measured by the NWEA Mathematics Test, administered in April 2010, will increase by 5%. Last year 46.2% of 7<sup>th</sup> graders met or exceeded their growth targets. Our target for this school year is that 51.2% of 7<sup>th</sup> graders will meet or exceed their Fall to Spring growth targets in math. Because we saw a 10% increase in the number of 6<sup>th</sup> graders meeting or exceeding their growth targets and an 11% increase in the number of 8<sup>th</sup> graders meeting or exceeding their growth targets, our goal is to maintain or increase this growth for the 2009-2010 school year.

### Strategies for Goals #1 and #2 include:

- Use assessment data to identify specific sub-groups and areas for intervention
- Develop student ownership and responsibility for learning through the use of NWEA data reviews & goal setting
- Refine use of enrichment/remediation block to increase growth for every student
- Provide staff with release time to examine data subgroups and identify appropriate teaching strategies

**2009-10 Goal #3:** To insure a healthy, nurturing, and empowering learning community for students and staff.

### Strategies for Goal #3 include:

- Increase parent-school communication
- Increase parent involvement at the middle level
- Create & implement middle-school grading philosophy & practices based on best practice
