ILLINOIS
SCHOOL
REPORT
CARD

GRADES : 3 4 5

State and federal laws require public school districts to release report cards to the public each year.

The 2007/2008 school year is the first time that Limited English Proficient (LEP) students, who would have taken the IMAGE in the past, took either the ISAT or PSAE with accommodations; therefore, any comparisons with previous years' achievement levels for this subgroup and their schools and school districts should be made with appropriate caution.

STUDENTS

RACIAL/ETHNIC BACKGROUND AND OTHER INFORMATION

	White	Black	Hispanic	Asian/ Pacific Islander	Native American	Multi racial /Ethnic	Low- Income Rate	Limited- English- Proficient Rate	High Sch. Dropout Rate	Chronic Truancy Rate	Mobility Rate	Attendance Rate	Total Enrollment
School	80.3	0.7	11.7	5.7	0.0	1.6	10.5	9.2		0.0	2.4	95.9	437
District	71.8	1.6	11.4	12.2	0.0	3.0	14.6	13.9		0.3	6.4	96.0	4,328
State	54.0	19.2	19.9	3.9	0.2	2.7	41.1	7.5		2.5	14.9	93.3	2,074,167

Low-income students come from families receiving public aid; live in institutions for neglected or delinquent children; are supported in foster homes with public funds; or are eligible to receive free or reduced-price lunches.

Limited-English-proficient students are those students eligible for transitional bilingual programs.

Mobility rate is based on the number of times students enroll in or leave a school during the school year.

Chronic truants are students who are absent from school without valid cause for 18 or more of the last 180 school days.

Some teacher/administrator data are not collected at the school level.

SCHOOL DISTRICT FINANCES

TEACHER/ADMINISTRATOR SALARIES (Full-Time Equivalents)

Salaries and counts of staff are summed across a district based on the percentage of time that each individual is employed as a teacher or an administrator and may or may not reflect the actual paid salaries for the district.

EXPENDITURE BY FUNCTION 2006-07 (Percentages)

REVENUE BY SOURCE 2006-07				EXPENDITURE BY FUND 2006-07			
	District	District %	State %		District	District %	State %

				TOTAL	\$51,481,607		

OTHER FINANCIAL INDICATORS				
	2005 Equalized Assessed Valuation per Pupil	2005 Total School Tax Rate per \$100	2006-07 Instructional Expenditure per Pupil	2006-07 Operating Expenditure per Pupil
District	\$446,160	2.33	\$6,561	\$11,476
State	**	**	\$5,808	\$9,907

** Due to the way Illinois school districts are configured, state averages for equalized assessed valuation per pupil and total school tax rate per \$100 are not provided.

Equalized assessed valuation includes all computed property values upon which a district's local tax rate is calculated.

Total school tax rate is a district's total tax rate as it appears on local property tax bills.

Instructional expenditure per pupil includes the direct costs of teaching pupils or the interaction between teachers and pupils.

Operating expenditure per pupil includes the gross operating cost of a school district excluding summer school, adult education, bond principal retired, and capital expenditures.

ACADEMIC PERFORMANCE

OVERALL STUDENT PERFORMANCE

These charts present the overall percentages of state test scores categorized as meeting or exceeding the Illinois Learning Standards for your school, district, and the state. They represent your school's performance in reading, mathematics, and science.

The 2007/2008 school year is the first time that Limited English Proficient (LEP) students, who would have taken the IMAGE in the past, took either the ISAT or PSAE with accommodations; therefore, any comparisons with previous years' achievement levels for this subgroup and their schools and school districts should be made with appropriate caution.

OVERALL ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT) PERFORMANCE

ISAT PERFORMANCE

These charts provide information on attainment of the Illinois Learning Standards. They show the percents of student scores meeting or exceeding Standards for the grades and subjects tested on ISAT.

PERFORMANCE ON STATE ASSESSMENTS

Federal law requires that student achievement results for reading, mathematics, and science for schools providing Title I services be reported to the general public.

The Illinois Standards Achievement Test (ISAT) is administered to students in grades 3 through 8. The Prairie State Achievement Examination (PSAE) is administered to students in grade 11. The Illinois Alternate Assessment (IAA) is administered to students with disabilities whose Individualized Education Programs (IEPs) indicate that participation in the ISAT or PSAE would not be appropriate.

Students with disabilities have an IEP (No Child Left Behind Act). An IEP is a written plan for a child with a disability who is eligible to receive special education services under the Individuals with Disabilities Education Act.

Reading and Mathematics are tested in grades 3 through 8 and 11. Science is tested in grades 4, 7, and 11.

In order to protect students' identities, test data for groups of fewer than ten students are not reported.

ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT)

The following tables show the percentages of student scores in each of four performance levels. These levels were established with the help of Illinois educators who teach the grade levels and learning areas tested. Due to rounding, the sum of the percentages in the four performance levels may not always equal 100.

- Level 1 -- Academic Warning - Student work demonstrates limited knowledge and skills in the subject. Because of major gaps in learning, students apply knowledge and skills ineffectively.
- Level 2 -- Below Standards - Student work demonstrates basic knowledge and skills in the subject. However, because of gaps in learning, students apply knowledge and skills in limited ways.
- Level 3 -- Meets Standards - Student work demonstrates proficient knowledge and skills in the subject. Students effectively apply knowledge and skills to solve problems.
- Level 4 -- Exceeds Standards - Student work demonstrates advanced knowledge and skills in the subject. Students creatively apply knowledge and skills to solve problems and evaluate the results.

Economically Disadvantaged	100.0	Yes	100.0	Yes										

Four Conditions Are Required For Making Adequate Yearly Progress (AYP):

1. At least 95% tested in reading and mathematics for every student group. If the current year participation rate is less than 95%, this condition may be met if the average of the current and preceding year rates is at least 95%, or if the average of the current and two preceding years is at least 95%. Only actual participation rates are printed. If the participation rate printed is less than 95% and yet this school makes AYP, it means that the 95% condition was met by averaging.
2. At least 62.5% meeting/exceeding standards in reading and mathematics for every group. For any group with less than 62.5% meeting/exceeding standards, a 95% confidence interval was applied. Subgroups may meet this condition through Safe Harbor provisions. ***
3. For schools not making AYP solely because the IEP group fails to have 62.5% meeting/exceeding standards, 14% may be added to this variable in accordance with the federal 2% flexibility provision.
4. At least 90% attendance rate for non-high schools and at least 75% graduation rate for high schools.

* Includes only students enrolled as of 05/01/2007.

** Safe Harbor Targets of 62.5% or above are not printed.

*** Subgroups with fewer than 45 students are not reported. Safe Harbor only applies to subgroups of 45 or more. In order for Safe Harbor to apply, a subgroup must decrease by 10% the percentage of scores that did not meet state standards from the previous year plus meet the other indicators (attendance rate for non-high schools and graduation rate for high schools) for the subgroup. For subgroups that do not meet their Safe Harbor Targets, a 75% confidence interval is applied. Safe Harbor allows schools an alternate method to meet subgroup minimum targets on achievement.

PLANNED IMPROVEMENT FOR THE SCHOOL AND DISTRICT

This is the final section of the school report card in which your school and district provide information below on areas of success and areas for planned improvement based on your school's improvement plan.

(For report cards disseminated electronically, this information may be provided in a separate document due to differences in the software used. If you are unable to locate this document, please contact your local school or district office.)

Pleasant Ridge School provides a highly engaging and effective school learning environment. Students at Pleasant Ridge School demonstrate high levels of academic achievement in Reading and Mathematics as measured by the Illinois Standards Achievement Test and the Northwest Education Association Measure of Annual Progress test. Furthermore, students also demonstrate a high level of attainment of the personal growth goals in Reading and Mathematics as measured by the Northwest Evaluation Association Measure of Academic Progress test. At Pleasant Ridge, the faculty and staff still seek out ways to grow and improve both as professionals and to provide even greater levels of success for our students. During the period of this school improvement plan, focus will continue in the area of reading and problem solving capacity. These areas align with the Glenview School District #34 student achievement and climate goals.

GOAL 1:	For 70% of the Pleasant Ridge School Students to meet or exceed their expected growth goals in Reading as measured by the NWEA from Fall to Spring.
Rationale	Although Pleasant Ridge students demonstrate high achieving status, student growth goal attainment is not at the desired 70% goal level.
Strategies	<ul style="list-style-type: none"> To implement common assessments and utilize data analysis to develop and implement interventions in order to improve performance in reading To utilizes NWEA goal analysis to provide learning experiences at students instructional level within goal areas .

GOAL 2:	The Pleasant Ridge students will demonstrate increased student achievement through the integration of technology.
Rationale	As a Pleasant Ridge Staff working with 21 st century learners, we have committed ourselves to dedicating resources towards utilizing technology to increase students' opportunities to construct concepts. These resources include 97% of eligible staff participating in the district LITE program, conversion of computers from desktop to laptop units, utilization of building and district resources to purchase projectors and document cameras. At Pleasant Ridge School, students, staff, and community members are working to increase academic achievement through technology integration.
Strategies	<ul style="list-style-type: none"> Specific strategies for this goal are in development at the building and team level.
