

VISION

Self-directed learners committed to continuous growth

Citizens of character who value diversity

Confident, healthy individuals who are contributing members of a democratic society

Student Achievement

To ensure student progress, we will increase the number of students meeting and exceeding their growth goals.

Climate

To do our best work, we will ensure a healthy, nurturing and empowering learning community.

Resource

To protect the trust and confidence of our community and staff, we will make the best use of our resources.

Guiding Principles

- All students can learn when they have appropriately defined learning goals and timely feedback on which to measure their progress. •
 - Learning is a shared responsibility among families, children and staff. •
 - Curricula and instruction are based on sound research. •
 - Effective instruction and assessment accommodates a variety of learning styles and aptitudes through differentiation. •
- A healthy learning and teaching environment encourages and supports self-concept, safety, acceptance, collaboration, consistency, and innovation. •
 - Strategic direction, goals and policies are set, communicated, and monitored by District leadership which enables schools to set, communicate, and monitor implementation procedures. •
- The principles as outlined in the Constitution and the Leadership Evaluation Framework shall guide our efforts. •

Mission

Recognizing the needs of each child and believing all children can learn, the mission of Glenview School District #34 is to empower all children to be responsible learners and decision-makers in a changing society.
