

Middle and Intermediate School Cell Phone Use Agreement Form

It is the intention of the Board of Education to provide a safe and secure learning environment for the students in its schools and to structure the possession of electronic signaling devices so that student welfare and safety and the educational environment are not adversely affected. To that end, every classroom in the district maintains a telephone that students are able to access with teacher permission.

Electronic Signaling Devices

Students may not use or possess electronic paging devices or two way radios on school property at any time.

Cell Phones

The possession and use of cell phones at the middle and intermediate school level are to be used in emergency situations and not merely for convenience. As such, they are subject to the following rules:

1. A parent must register his/her child's cell phone with the school by completing and signing the "Cell Phone Use Agreement" form.
2. This form will be kept on file at the school for the current school year. It will need to be renewed at the start of each school year.
3. The cell phone is not for use during the school day and must be kept in the student's locker from the start of the school day until 3:00pm. During this time, the cell phone must be turned OFF (no tone or vibrating features should be on). A student's school day starts the moment the child enters the building. Games, cameras, text messaging, and other add on devices for cell phones are not to be used during the school day.

Violations of the above guidelines will result in the following:

First Offense: The phone will be confiscated and will be returned only to a parent. It will be the parent's responsibility to establish a time to meet with the appropriate administrator to collect the phone. The student will be issued an administrative detention for violating the policy.

Second Offense: The phone will be confiscated and will be returned only to a parent. It will be the parent's responsibility to establish a time to meet with the appropriate administrator to collect the phone. The student will be issued an in-school seclusion for violating the policy a second time.

Third Offense: The phone will be confiscated and will be returned only to a parent along with a notice that a further infraction of the policy will result in confiscation of the phone for the remainder of the school year. The student will be issued a Saturday seclusion for violating the policy a third time.

Fourth Offense: The phone will be confiscated for the remainder of the school year.

If you elect to provide your child with a cell phone, you must complete the attached Agreement Form and return it to the school. By completing the Agreement Form you are indicating that you have read and understand the above guidelines regarding the use of cell phones at school.
