

## Beginnings

Debra Gelfand, mother of six sons, was an active parent volunteer in Glenview District 34. She had a strong belief that parents should be involved in school activities. Debra provided many gifts and monetary contributions to the schools and gave countless hours of her time to the District. She died on July 4, 1990 at the age of 37 from cancer. This fund was established in Debra's memory to carry on her belief that it is important to help families in need.

## **How did the Gelfand Fund help our District 34 family?**

"I wanted to thank you and the Gelfand Fund for helping my family get through a difficult times for us. We had no idea that the District could help us in so many ways. We greatly appreciated the vouchers from Target and Kohls for clothing, shoes, and toiletries. Thank you from the bottom of our hearts."

—District 34 family

"I just wanted to thank you for paying for my visit to the doctor. I feel so much better."

—District 34 student
