

Please help Girl Scout Troop 40814 collect new sleeping bags for the homeless! *From March 13-24*, Troop 40814 is collecting sleeping bags for the homeless population that seeks shelter on Lower Wacker Dr.

St. Sabina church on Chicago's South side distributes the sleeping bags on a regular basis to those without shelter on Wacker Dr. as well as those in need in their own neighborhood. Although separated by some miles, the girls have learned that our neighborhoods, our community and those in need are all connected. They have chosen to research this need and execute this project as part of their Bronze Star Award. Please help them make a difference to those who need a warm, clean "bed".

Donations are being accepted at Lyon and Pleasant Ridge schools from March 13-24. Cash donations for the troop to purchase bags on your behalf are also accepted. Please email Alisa Cios, troop co-leader at Alisacios@gmail.com if you would like to give a cash donation and/or leave cash donation with the Lyon or PR office.

Thank you for making a difference!
