## 2. BAND, ORCHESTRA, AND CHOIR REGISTRATION

Please indicate if your child is planning to participate in band, orchestra, or choir.

Band and Orchestra meet during the school day as a grade-level Encore class, every other day for 40 minutes. Students in Band and Orchestra also participate in weekly, small group lessons. Each lesson is 40 minutes and covers techniques specific to each individual instrument. Additionally, ANY 6th grade student may elect to learn a new instrument by registering for "6th Grade Beginning Band" or "6th Grade Beginning Orchestra".

Choir meets twice a week before school during the Overture Period (7:10-8:05AM). An early bus is available. Students are able to participate in both choir AND play an instrument in band or orchestra. Any questions regarding Band, Orchestra, or Choir should be directed to the middle school directors.
