After opening of bids, no additional allowance will be made for changes in project scope and/or price due to work which would have been apparent by examination of the documents. By submitting its proposal, each Bidder shall be held to represent that it has made the examination in complete detail and has determined beyond doubt that the documents and existing conditions are sufficient, adequate, and satisfactory for its completion of the work.

The Board reserves the right to reject any goods and to cancel all or any part of this sale if the Seller fails to deliver all or any part of the goods described in the invitation to bid in accordance with the terms, conditions, and the Project Bid Specifications contained herein. Acceptance of any part of the goods covered by the invitation to bid shall not obligate the Board to accept future shipments nor deprive it of its right to revoke any acceptance theretofore given. If the Seller ceases to conduct its operations in the ordinary course of business (including inability to meet its obligations as they mature), or if any proceeding under bankruptcy or insolvency laws is brought by or against the Seller, or if a receiver for the Seller is appointed or applied for, or if an assignment of or for the benefit of creditors is made by the Seller, the Board may cancel this order without liability except for deliveries previously made or for goods covered by the Bid Documents then completed and subsequently delivered in accordance with the terms, conditions, and specifications contained herein.

A total bid dollar amount, regardless of whether or not you are bidding all items, MUST be entered in the appropriate section of the Bid Form before signing and submitting your bid.

B. PAYMENT

Payment by the Board for goods supplied hereunder shall not constitute acceptance thereof if subsequent inspection discloses defects in material or workmanship or a failure to meet the specifications contained herein. The Board will attempt to make payments for items ordered within thirty (30) days of delivery. Notwithstanding anything herein to the contrary, however, all payments made to the Contractor shall be governed by the Illinois Local Government Prompt Payment Act (50 ILCS 505/1 et seq.).

C. Interpretation of Bid Documents

If any person contemplating submitting a proposal is in doubt as to the true meaning of any part of the Bid Documents, he or she may submit to the Superintendent or designee a written request for an interpretation. The person submitting the request will be responsible for its prompt delivery. Any interpretation of the Bid Documents will be made only by addendum duly issued by the Superintendent or designee. A copy of such addendum will be mailed or delivered to each person receiving a set of such Bid Documents and to such other prospective bidders as shall have requested that they be furnished with a copy of each addendum. Failure on the part of the prospective bidder to receive a written interpretation prior to the time of the opening of bids will not be grounds for withdrawal of his or her proposal. Oral explanations or representations will not be binding.

D. Title and Risk of Loss:

Title to the goods herein described shall not pass until said goods have actually been received by the Board or its consignee, notwithstanding any agreement to the contrary, including, but not limited to, any agreement to pay freight, express, or other transportation or insurance charges. Risk of loss prior to such actual receipt by the Board or its consignee shall be borne by the Seller. Nothing herein contained, however, shall be construed to deprive the Board of its interest, or limiting such interest, in the goods herein described prior to such actual receipt.

E. Inspection:

All material and workmanship shall be subject to inspection and test by the Board. The Board reserves the right to reject any goods which contain defects in material or workmanship or which fail to meet the Project Bid Specifications contained herein or the Seller's warranties (express or implied). Rejected goods shall be removed at the expense of the Seller, including transportation both ways, promptly after notification of such rejection. As to rejected goods, the Seller shall bear all costs of inspection and all risk of loss. Upon rejection, the Seller shall immediately return full purchase price to the Board.

F. Warranties:

The Seller makes the following warranties to the Board and users of the goods herein described: (a) it will, at the date of delivery, have good title to any and all goods supplied hereunder, and said goods will be free and clear of any and all liens and encumbrances; (b) any and all goods supplied hereunder will be of merchantable quality; (c) any and all goods supplied hereunder will be fit for the particular use intended, will be free from defects, whether patent or latent, in material or workmanship, and will be in full conformity with the specifications contained herein. The Seller agrees that the foregoing warranties shall survive acceptance of the goods, and that said warranties shall be in addition to any warranties of additional scope given to the Board by the Seller. The Seller shall, at its sole cost and expense, promptly repair or replace to the Board's complete satisfaction all goods/services received for a period of one (1) year from date of delivery, unless the Project Bid Specifications require a greater warranty period.

result of a violation of either the bid-rigging or bid-rotating provisions of Article 33E of the Criminal Code of 1961, as amended.

C. Prevailing Wages

It shall be mandatory upon the Contractor(s) to whom a contract for public works is awarded and upon any subcontractor thereof to pay all laborers, workmen, and mechanics employed by them not less than the general prevailing rate of wages in the locality for each craft or type of workmen or mechanic needed to perform such work, and the general prevailing rate for legal holiday and overtime work as ascertained by the Department of Labor. Bidders are required to increase wages as necessary during the term of this contract so as to keep current with prevailing wage rates. No changes will be allowed in the amount of this contract as additional compensation for such changes.

D. Background Checks

All contractors or individual vendor representative(s) who have contact with students or perform work in student areas when students are likely to be present need to have a sex offender background check performed before they may work in any District 34 building. By submitting a bid, the vendor agrees that its employees may be checked by the District prior to working on District property.

E. Sexual Harassment Clause

Each Bidder must certify that it has complied with the requirements of Section 2-105 of the Illinois Human Rights Act (Public Act 87-1257) effective July 1, 1993, with respect to sexual harassment policies. The terms of that law, as applicable, are hereby incorporated into this contract.

F. Non-Discrimination Clause

The Contractor will not discriminate against any employee or applicant for employment because of age, race, creed, color, sex, national origin, or disability. Such action shall include, but not be limited to the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship.

The Contractor agrees to post, in conspicuous places available to employees and applicants for employment, notices to be provided setting forth the provisions of the non-discrimination clause.

In the event of the Contractor's non-compliance with the non-discrimination clauses of this Contract or with any of such rules, regulations, or orders, this Contract may be cancelled, terminated, or suspended in whole or in part, and the Contractor may be declared ineligible for further Government contracts or federally-assisted construction contracts, in accordance with the procedures authorized in Executive Order of September 24, 1965, and such other sanctions may be imposed and remedies revoked as provided in Executive Order No. 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

The Contractor shall include the provisions of Paragraph A through D in every subcontract or purchase order unless exempted by the rules, regulations, or orders of the Secretary of Labor issued pursuant to Section 204 of Executive Order No. 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The Contractor shall take such action with respect to any subcontractor or purchase order as the contracting agency may direct as a means of enforcing such provisions, including sanctions for non-compliance, provided, however, that in the event the Contractor becomes involved in, or is threatened with, litigation with a sub-contractor or vendor as a result of such direction by the contracting agency, the Contractor may request the United States to enter into such litigation to protect the best interest of the United States.

The Bidder is directed that all applicable state laws, municipal ordinances, district policies, and the rules and regulations of all authorities having jurisdiction over any aspect of the herein described project shall apply to the Contract throughout, and will be deemed to be included in the Contract the same as though herein written in full; provided that municipal ordinances, policies, practices, and other municipal regulations that create a conflict with the bidding requirements of the Illinois School Code are not applicable.
